

**FUNDING  
COVID-19**

Please be assured that we pay for your Covid-19 test, however, please follow our set protocols. Complete our online questionnaire which is available on our website [www.alliancemidmed.co.za](http://www.alliancemidmed.co.za)

When the Covid-19 vaccine becomes available, all our members will be covered in line with set guidelines which incorporate the phased approach prioritising our front-line health workers and high risk members.

**BENEFITS  
Emergencies**

We cover emergencies in full. When you have an emergency, call **Europ Assistance** on **0860 255 426** for telephonic guidance and/or dispatch an ambulance to you if necessary. Please store their contact number on your phone for easy access in time of need.

If you receive hospital treatment in an emergency, please ensure you contact the Scheme on **0860 002 101** within 24 hours after the incident. This will ensure that the necessary authorisation is issued and third party recovery processes can be actioned where applicable.

**DENTAL  
Dental  
Check Ups**

Every beneficiary covered on your medical aid qualifies for two dental check-ups each year. These routine check-ups help detect systemic health issues, can keep gum diseases at bay and can check for oral cancer.

Simply put, dental check-ups are really a proven and easy way to stay on top of your dental health.

**GENERAL  
Mobile App**

Download the free Alliance Mobile App which brings you convenient and easy access to key contact details, information regarding your option, membership statements, your savings balances and many other features. Simply put, our Mobile App saves you time and money and you can access it anywhere and anytime.

The Mobile App is available on Google Play and the App Store. You can login by using your existing web username and password if you already have, or you can register on the Mobile App for new login details.
